

SOFTENING CLEANSING CREME
150ML (11948) \$40.00 RRP

Wake up to the delightful benefits of Soybean Oil, Shea Butter and Tea Extract to give your face a fresh start by removing dirt and impurities while simultaneously nourishing the skin.

FOAMING CLEANSING LOTION
200ML (11965) \$40.00 RRP

This brilliant water buffer enhances the skin's moisture reserves with Hyaluronic Acid, while Chamomile Extract delivers an ultra soothing experience. Tightness is minimised with Comfrey Extract to ensure your skin is clean and comfortable.

REFINING TONING LOTION
200ML (11966) \$40.00 RRP

Free of alcohol, this toner will instantly firm and moisturise the skin with Mushroom Extract. Your complexion is refined and pores are minimised with the artful workings of African Whitewood Extract.

ANTI-AGEING DAY CREME SPF 15
60ML (11973) \$56.00 RRP

INTENSE ANTI-AGEING DAY CREME SPF 15
60ML (11974) \$56.00 RRP

With 100% of women reporting a reduction in fine lines and wrinkles in just 28 days, and a whopping 95% of women seeing a reduction in the appearance of pigmentation in just eight weeks, you can rest assured that your moisturiser will be working overtime for you throughout the day! With two tailored levels of moisture intensity, you can customise your day crème to cater to your skin's needs.

INTENSE ANTI-AGEING NIGHT CREME
60ML (11971) \$60.00 RRP

It's a unanimous decision; there is only one night crème that can hold that coveted spot on your dresser and with 100% of women reporting a reduction in wrinkle depth in only 28 days, I think we have a winner!

ANTI-AGEING EYE CREME
15ML (11970) \$46.00 RRP

If the eyes are the window to the soul, then you want to be 100% sure that your eye crème is delivering the goods. Your precious gateways are in perfect hands, with 100% of women reporting an increase in skin firmness on the eye contours in as little as 28 days; this one's a no brainer!

Restore poses an unbeatable triple threat against wrinkles, pigmentation and skin stress, so you can put your num chucks down, and fight the good fight against ageing like a lady – not a ninja! Combining the benefits of both the existing Restore and Brighten ranges, this incredibly exciting launch offers an unparalleled, multifaceted solution

to the at times unsightly (pardon my frankness) effects of maturing skin.

With the antioxidant-rich Sauvignon Blanc Concentrate at the core of the entire Restore range, it's not surprising that our clinically proven benefits pose a breakthrough in the science of eternal youth! Sourced from the impeccably pure Marlborough region, the potent

consistency of New Zealand's home grown miracle worker is an anti-ageing force to be reckoned with. Carefully blended with new-age Peptides and Vitamin Concentrates; Restore launches a full throttle – Charlie's Angels-esque attack on wrinkles, pigmentation and skin stress, leaving you free to get on with your day looking and feeling beautiful.
