*** USE A FAN BRUSH** to apply highlighter. A regular brush deposits pigment in one place. A fan brush scatters it evenly for subtle gleam. Try *Artiste Fan Brush*, \$19.99.

*** L'ORÉAL SUBLIME BRONZE ONE DAY TINTED GEL, \$24.99.** This tinted body gel is silky and light, with gold pigment suited to all skin tones.

*** WHEN APPLYING LIQUID LINER,** rest your palm on your jaw and use it as a pivot point. Draw the line from the centre of the lid outwards first, then from the inner corner to the centre. Try *Charlotte Tilley Le Style Liquid Eye-Liner*, \$51.

*** Katrina's top tips**

- * USE SMALL FEATHERING FLICKS** to apply lip liner along the lip line and down into the centre of the lip. This technique delivers a softer result.
- * FOR LOOSE EYESHADOW,** place a tissue on your cheek, close to the eye, to capture any spills.
- * TO ACHIEVE THE PERFECT BRIGHT LIP,** blend foundation over lips and lightly powder them before brushing on colour.
- * FOR THICKER-LOOKING BLACK LASHES,** dot black eye liner in between the individual hairs, at the very base.

KATRINA RAFTERY *Katrina Raftery began her career as a hairdresser, but soon branched out into make-up. She's travelled from Melbourne to the Maldives to Mexico, primping models and celebrities.*
