THE FAB FIVE

- 1 When she's flying, **Leighton Meester** keeps her skin refreshed with Evian Facial Spray \$9.95 (02) 9663 4277. Containing mineral water from the French Alps, this hydrating mist isn't only reserved for jetsetters – it can be spritzed on before applying make-up for a moisture boost.
- 2 Long-time Avon ambassador **Reese Witherspoon** is the face of the brand's latest lash wonder Avon SuperShock Max Mascara in Black \$22.99 1800 646 000. Containing a plumping complex, swipe this wand for dramatic clump- and smudge-free lashes.
- 3 For those who want colour minus the commitment, try **Kevin.Murphy Color.Bugs** \$24.95 kevinmurphy.com.au. Available in pink, orange and purple, these wash-out hair shadows are perfect for creating the dip-dye look seen on celebs like **Kate Bosworth**. Top tip – a light spritz of hair spray will help lock in the colour.
- 4 For a kissable pout, try **Kit Lip Glaze in So Onto It** \$19.95 1800 705 800. With nourishing calendula and vitamin E, it delivers soft, super-shiny lips. We love the hot-pink hue, which is perfect for evening glamour.
- 5 We love a good multi-tasker and, for less than a tenner, this one is perfect if you're a bit short of cash after splurging at Christmas. Use it to define your facial features, as an all-over bronzer or even as an eye shadow. **Models Prefer Highlighter in Fame & Fortune** \$9.99 priceline.com.au
