**tried & TESTED**  
 ...volumising mascara

Shirley Bird-Davis, 29, from Neutral Bay, NSW, tried three mascaras that promised to give her thick, full lashes. Here's what she found...

**L'Oréal Paris Extra-Volume Collagene Mascara, \$27.95** This one gave my eyelashes amazing length and volume, and didn't leave any clumps. One good coat is all you need!

**The Body Shop Big & Curvy Mascara, \$23.95** It gave really good length, but it needed at least two coats to really show and it also flaked off a bit.

**Designer Brands Lash Extensions Extreme Volume and Length, \$8.99** This gave excellent length, volume and curve with two coats. And as a bonus, it wasn't hard to remove.

**Fashion & Beauty Ed's pick**

**Clinique Eye Defining Liquid Liner, \$32, www.clinique.com.au** I love this liner! The fine nib makes it so easy to create an even line along my upper lashes. It's a beauty bag staple!
