Inside My Handbag

megan | Nov 09, 2011 | Comments 0

I acquired a new handbag. This beautiful sharp lime green Marc by Marc Jacobs bag from Shoploot. It actually is killing me how excited I am to wear this all summer. I always love those features in magazines when they show the contents of celebs handbags. I'm no celeb (obviously) but I thought it'd be fun to show you what lives inside my handbag. It's all for preparation of a summer of fun!

1. Wallet - Picked it up at Sportsgirl for about \$30
2. Umbrella - Fesky unpredictable Sydney weather
3. Extra Professional Gum - For after garlic infused foods
4. Business Cards - My work & my blog. In prep for networking Christmas parties
5. Sunglasses - My fav Prada aviators
6. Headphone - To cancel out loud people on the bus
7. Sukin Lip Balm - My new go to lip balm. Vegan & free from animal testing AND made in Australia. Amazing
8. Nutrimetics Youth Renewal Lipstick in Whimsy - The perfect understated everyday shade
9. Panadol Rapid & Berocca - Day after Rose saviors.

On the weekend I got to go on a super fun shopping date with the Westfield stylist Alyce Cowell. Check it out. :)
