beauty comes in all sizes. not just size 2

**FOTD Featuring MeMeMe, Nutrimetics, Australis and Savori Fare Cosmetics**  
BY THE 24 NOVEMBER 3, 2011

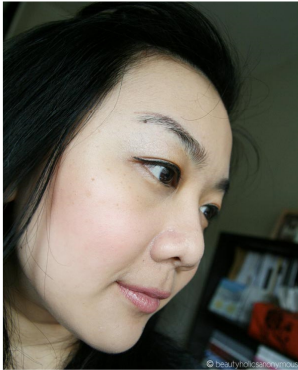

Long time readers will know that I very rarely do Face-of-the-Day (FOTD) posts. That's because I'm seriously hopeless in makeup application, and cannot even come close to the many beauty bloggers who are makeup geniuses. Yes, and I call myself a beauty blogger too. For shame!

However, for today, I thought I'd share a little something with you which I did up just for fun, featuring some of the makeup that I'm loving at the moment.

Here's forgive the very unshaggy brows. I'm currently growing them out for a lil' bit to fix them up. The line that looks like brown eyebrow pencil smearing away from the brows is the remnant of eyebrow embroidery which I had done over a year ago. I'm still waiting for it to fade completely. My brows look like two caterpillars fighting on my forehead.

What I used to create the look:  
**Face:** Face of Australia Mineral Therapy Liquid Foundation, Face of Australia Translucent Loose Powder, Revlon PhotoReady Concealer  
**Eyes:** Australis Popcorn Perfect High Definition Eyeshadow in Soap Attack, Nutrimetics Liquid Eye Definer Eye-Liner  
**Cheeks:** MeMeMe Cosmetics Blush Mel in Coral  
**Lips:** Savori Fare Cosmetics in Miss You

A very simple, everyday look which I'm glad did not take me long to do. I'm also learning how to use liquid eyeliner properly albeit slowly, which is a big improvement.
