## MODERN GLAM

A contemporary venue calls for up-to-the-minute beauty and nothing says "now" like bold, edgy hairstyles and modern make-up. Turn up the volume with a high updo, full bun or fluffy halo of curls. Or make your statement with a daring hairpiece. For fashion-forward make-up, choose a facial feature to dramatise (whether it's eyes, cheeks or lips) and take it to the max. Don't shy away from colour – enlist the help of a bright eyeshadow or choose coral lipstick for an avant-garde twist on classic red. Work dramatic black eyeliner with nude lips for evening nuptials or make cheeks pop with a shimmery peach hue.
