tried & TESTED
 ...lipstick

Susie Dean, 23, from Surrey Hills, Vic, tried three lipsticks that promised rich colour that would stay put all night. We gave her three to try...

Kate Moss Lasting Finish Lipstick, \$11.95
 This one was my favourite! I really liked the depth of colour and it lasted on my lips for ages.

SAX Rich Lip Colour Lipstick, \$14.95
 While this one had a great texture and felt really nice on my lips, it didn't stay on as long as the others.

Bourjois Sweet Kiss Lipstick, \$23
 This one lasted on my lips for quite a few hours and the colour was really intense.

 Dove Nourishing Oil Care Shampoo & Conditioner, \$6.49 each, www.mydove.com.au
 This nourishing shampoo and conditioner duo is my new best friend! My hair has never been so soft and shiny. I'm well and truly hooked.
